

# 2,000 people giving

# \$10 in 2010 = \$20,000

We are proud to be part of a community where children matter and professionals have been working together through the Child Advocacy Center (CAC) of Harrisonburg and Rockingham County. A CAC is a place where abused children can receive services and support. Currently, our community's CAC is up and running, but facing budget shortages. That is why we are calling on our community now to help support the continuation of much needed crisis services and prevention education.

Our goal is to find 2,000 people to contribute just \$10 each by the end of 2010. To understand more about this situation and how you can be a part of it, please visit our website.
